MY PASSIONS, YOUR BUSINESS

Hello, my name is Sheryl, and I come from the sunny island of Singapore. I write research-based health articles, patient perspective pieces, and develop websites of all kinds. I also ensure that everything is optimised for SEO.

My foundation is in web development, having worked in global advertising agencies for over a decade. [Visit my LinkedIn page](#) to view my qualifications, and [browse my portfolio](#) to see if it's a good fit for you. I have also been chronically ill and disabled for 20+ years. In my spare time, I advocate via my blog, [achronicvoice.com](#).
